The annual staff began a very busy year in the fall. We first decided on which page each of the school's activities would be. Then layouts were made and the photographers began the busy job of taking pictures. The next step was to choose the pictures to be put in the annual. The photographers printed them exactly as specified in the plans and the pictures were then pasted on the final boards. The entire book was sent to the publishers in three deadlines. The first 30 pages were due March 8th. We then continued to work on the next installments. The annual was finished the day following graduation. During the year the staff sold advertisements for the annual to businesses throughout the area.

F.F.A.

Some FFA members started out their year by showing livestock at the state fair. A few months later they had a 'corn drive' and collected over \$500 to be donated to Camp Courage. Seven lucky FFA members attended the national convention in Kansas City, Mo. The FFA conducted a 'safe corn harvest' in cooperation with the Fire Department and sold over 200 fire extinguishers to area farmers. "Christmas for the mentally retarded" was a success again this year as \$500 was raised. In the spring they had their 20th annual FFA banquet for 300 guests. Many awards were given to outstanding members. In April, 25 members attended the state convention. Five teams earned their way by qualifying for state competition. At the state FFA banquet, four members received the State Farmer degree and one member won the regional proficiency award. The members worked hard as usual this year and carried out their theme "FFA a Future for America."

Chanhassen Convention Made Cookies Chili Supper Bazaar Banquet

The FHA started with limited funds this year, so they decided to have a bazaar to raise money. The girls were very busy with that in the fall. In February they dressed up and had an evening out at the Chanhassen Dinner Theatre. For FHA week, the members were ready to get busy again; they made cookies for the high school. In March, a chili supper was set up. The turn out was a huge success.

Several members attended the State Convention in the Twin Cities. As usual they had a good time. To top off the year, the FHA had their annual banquet at Edgewood.

The Jr. High FHA had a very busy year. On Halloween the members collected money for UNICEF. In November, they attended the District Convention in Hastings. Char Majerus was elected President of the Dist. The Jr FHA'ers also had a Big-Little Sis program. For National FHA Week the club posted a picture on the bulletin board and the student body had to guess where it was taken. The Kiddie Carnival took place in March. Concluding the year was the Mother-Daughter tea.

Student Council

The student council advised by Mr. Pohl and Mr. Fiero has ended another year of representing the student body. They have achieved this goal throughout the year by selling homecoming buttons, sponsoring a homecoming dance, buying a camera for the Cat Call, helping cut down the smoking and grafetti writing, sponsoring the student lounge and by making the Sadie Hawkins more enjoyable by having a whole week of fun instead of just a day.

Deutsch Club

This year eighteen German students went to Germany. Eleven toured the southern part of Germany while seven toured the northern part. They left on March 23rd. The northern group went to such cities as: Berlin, Bonn, Cologne, and Unna for the family stay. The southern group was in: Rotenburg, Munich, Heidelberg, Salzburg, Austria, and Ingolstadt for the family stay. Both tours included seeing castles, churches, Rathauses (court houses), and the six day family stay. Everyone enjoyed the trip and said they'd like to go back again some day.

The third year German students traditionally put on a play for the Grade School. This year the German students choose the play "Schneewittchen-Snow White." Sue Schrimpf played the role of Snow White with Diane Buck as her wicked stepmother. The German version of the play is different in some ways from the American version. One difference is that the wicked Queen has to dance in hot iron shoes until she dies at the end. Another difference is, after Snow White has eaten the poison apple, the servants that are carrying her trip, and when they drop her, the piece of apple comes out of her mouth. The play was well received and the German students enjoyed putting it on.

Senior Band

This year the band really looked sharp. Their new uniforms were purple tuxedos with white trim for concerts. For marching the same outfit is accompanied with a white overlay with our school mascot on the back. This year the band attended Pine Island's Festival Contest on March 27. For the band tour, the members went to Wisconsin. The first stop was Alma High School. Then they went to the U of W--Eau Claire.

As a special bicentennial attraction, along with the Liberty Bell, there is planned to be a fife and drum corps--Anita Miller with the snare, Geri Heppelmann with her flute and Julie Gorman as flag carrier. They were dressed in bicentennial costumes.

Sr. Choir

This year the Sr. Choir participated in the Music Contest at Pine Island on March 27. They went festival so the judge worked with them instead of judging them. The small group contest was in Wanamingo on April 7. Two duets received star ratings: Linda Dahling and Nancy Reese; and Diane Buck and Sandy Bremer. A vocal sextet received stars both at district and region-state contest. On May 4 the Choir went on a tour. They put on a concert at Alma, Wisconsin, and then they went on to listen to the Choir at the University of Wisconsin in Eau Claire rehearsing. John Slauson directed the Sr. Choir's fall and winter concert, and Becky Miller directed the mid-winter and spring concert.

Skiing

The skiing season at Welch Village was short but many of the skiers made the most of it. Along with the usual spills some of the students tried new stunts. If there were a "bravest skier" award it would have to go to Al Jacobson who preferred to ski the expert runs even though he couldn't stop very well. A day spent skiing by the ninth grade was the highlight of the season.

A new activity this year was orienteering. It consists of finding one's objective using a topographical map and compass. A three day competition meet sponsored by the state Dept of Natural Resources culminated a period of training. Along with the meet there were environmental mini-courses. The meet was held April 30-May 2 at Long Lake Conservation Camp near McGregor.

Members of the team along with the advisors were: John Hinrichs, Mr. Fiero, Andi Butler, Cindy Benrud, Kathy Ryan, Mr. Lilja, Ted Devine, Kris Helmberger, Shari Noah, and Marge Arndt. Not pictured: Kev Watson and Mike Thomforde.

Football

The Wildcats had a really tough time this year, winning only two games. The score was quite close several times but the odds were against us. Also, Kevin (Butch) Watson was injured and out half of the season. During the half season he was playing, Butch had twenty-nine catches--a school record.

When the All-Conference players were chosen, Goodhue's Terry McNamara and Kevin Ryan were selected. Dave Roschen and Keith Johnson received Honorable Mention.

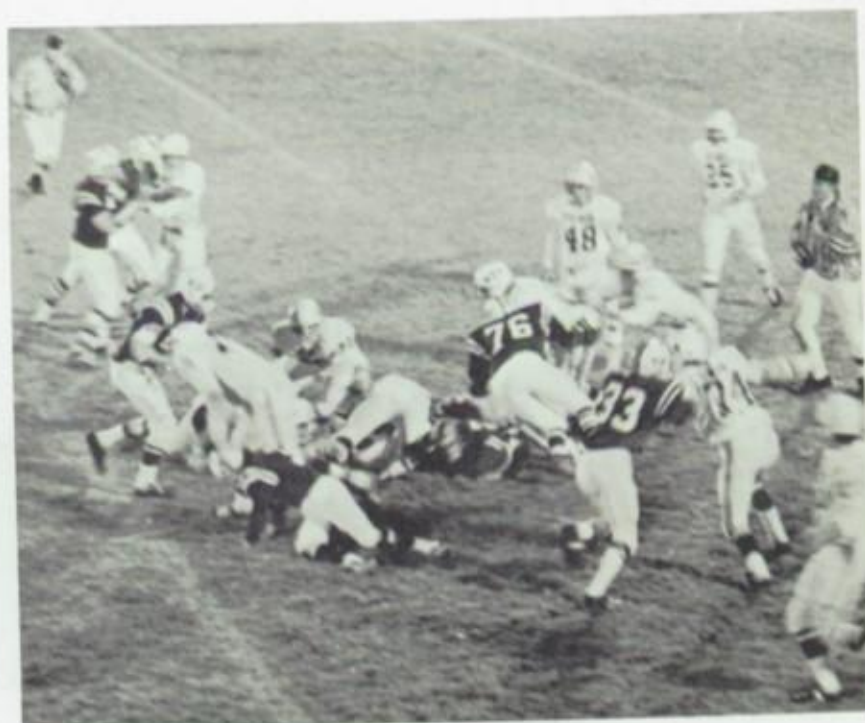

Keeping statistics were Jerry Munson and Craig Thomforde. Randy Ide, Nathan Schulz, Tim Bien and Tom Ramboldt were the managers.

Volleyball

Volleyball was mostly a learning experience this year for the girls. The power rules were really a challenge. Free volleyball was so different than power volleyball that the girls had trouble remembering the rules. Often you would hear the girls saying "don't move" because if you did you would lose your serve. The season ended with a 0-10 record.

Cross Country

Cross Country was very successful this year. The team had a dual meet record of 3-0 plus winning a triangular. They won 3 second-place trophies at the following invitionals: Elgin-Millville (6 teams), Plainview (11 teams), and Kasson (9 teams) The team placed 3rd in the district and advanced to the region. Jim Hadler set a new school record of 15:54 for the 3 mile course.

Basketball

When the 1975-76 season began the Wildcats knew they had their work cut out for them as they had to replace eleven graduating seniors. After losing their first six games (several of them were heartbreakers) the Wildcats showed their intestinal fortitude by upsetting the eventual conference champion, Southland, on the Rebel's home court. After the Christmas break, the team won THREE of their next FIVE games and it appeared as though the team would be a force to be reckoned with in the Wasioja Conference. However, illness and injury befell the 'Cats in epidemic proportions and the Goodhue five skidded to nine straight losses enroute to a dismal 4-17 season; the first time the Cats' had finished below .500 in the five years of Coach Fiero's tenure and for the first time in anyone's memory.

Highlights of the season included: the Southland victory; the incredible 100-86 loss at the hands of the Byron Bears after Goodhue outscored Byron 73-72 over the last three quarters; Dave Roschen named to the Wasioja All-Conference and Kevin Ryan--Honorable Mention; Dave Roschen--Most valuable Player; Terry McNamara--Most Improved Player.

Girls Basketball

This year girls basketball was played in the winter instead of the fall. The season got off to a good start with four straight wins.

Several times the girls kept the fans in suspense when the score was close, then tied and went into overtime. Although the girls games lasted somewhat longer than the boys games, both were equally exciting.

The managers this year were Bonnie Watson, Doris Kuske and Alice Kehren. Keeping statistics for the team was Diane Buck.

Julie Ryan was chosen for All-Conference. Barb Gregoire and Julie Ryan set new school records. Barb broke two records: she had ninety rebounds as well as fifty-two fouls. Julie set the free throw record with twenty-five points.

BASEBALL

An early beginning practice, both inside the gym and outside on the playing field, and the new pitching machine could not overcome the handicap of a relatively young team. Of 16 members, only 4 were returning lettermen. This year double-headers were played in the conference with only the first game counting for conference championship. Senior Mark Diercks tore ligaments during a close game with Wanamingo. The 3 games won by the Wildcats included Byron (2-1), Pine Island (4-0) and Dodge Center (3-1). The captains were Earl Eggerichs and Dave Roschen. The most valuable player was Earl Eggerichs. The most improved player was Loren Dahling who also was named All-Conference infielder.

BOY'S TRACK

The 1976 Track and Field highlights include an early start and a beautiful spring. There were three track members who qualified for the Region meet. LARRY BETCHER--the District 4 champion in the 880 yard run (2:01.1--a school record). JIM HADLER--3rd in the mile run (4:38.2--a school record). TONY ROSENER--2nd in the 220 yard dash (23.8 seconds) and 2nd in the 100 yd dash (10.7).

Other outstanding performances: each setting a new school record. Pole Vault--Ken Gadiant--11'. High Jump--Ted Devine--5'8". 880 yard relay--Loren Dahling, Tim Larson, Gary Stumpf, and Tony Rosener--1:37.8. The most Valuable Track member was Larry Betcher. Ed McNamara was voted the most improved.

GIRLS TRACK

This year in track there were twelve girls, one senior, two juniors, three sophomore, and six freshmen. The team did well with the number of girls they had. Coached by Mr. Fiero, the girls had a very successful season. During the first part of the season Coach Fiero pinned up a paper of the school records, with a note that said, "Let's break these." I'm sure he was surprised when he found the girls had broken all but one. The team did well at Districts, with Dawn advancing to the Regions in the 100 and 440 yard dashes. Regions were very disappointing for her.

Homecoming 1975

QUEEN ANN RYAN
KING KEVIN RYAN

The Homecoming festivities started Thursday with a powder puff football game. The Seniors beat the Juniors by a score of 12-0. The activities then went to the gym where skits were performed. Mr. Pohl presented the 1975 football team and the cheerleaders led the students in some cheers. The band played "For All We Know" as the candidates walked in. The excitement mounted as last years Queen Trudy Engelby crowned Kevin Ryan as the 1975 King. Last years King Ken Majerus crowned Ann Ryan as the 1975 Queen. Building floats and the parade started Friday's events. The Juniors had the best float with the slogan "Crush Concord." The Wildcats lost the game to West Concord but the spirit remained. The activities came to an end on Saturday with a dance.

Spring Dance "Pieces Of April"

On Friday May 7, you could see the new gym being transformed into a garden of bright colors. The juniors, under the direction of the class officers, worked all day Friday and came in on Saturday morning to finish the work. That evening the Grand March was led by Junior Class President Ted Devine and his date Donna Lodermeier. The theme song was Pieces of April. The Castaways was the band that played. The juniors did a very good job to make this years spring dance a very enjoyable one.

The play focuses on Sylvia Barrett (Pat Ryan), an eager young teacher fresh from college, and her trials and victories with the High School in New York. If J.J. McHabe isn't interrupting her class by disciplining her, Dr. Maxwell Clark is with his messages about disregarding messages. The school nurse can only give out tea, the librarian doesn't allow books to be checked out, and the English teacher is more interested in becoming a published writer. Other faculty members are Bea, Ella Freidenburg, Samuel Bester, and Sadie Finsch. At the end of the play Joe Ferone, the one who gave Sylvia her toughest job, comes back to her class. Alice Blake, a lovesick student jumps out the window to get Paul Barrenger, the English teacher. Class cut ups were Lou Martin and Jennie Newmark who also added to Sylvia's problems.

Hey teach I'm coming back to class.

"THE HOBBIT"

The world of fantasy came alive April 29th & 30th when the all-school production of "The Hobbit" was presented by a large cast under the direction of Mr. Greg Nixon. The plot centered around a hobbit, Bilbo Baggins, who was tricked by Gandolf, the great wizard, into making a long journey with thirteen crazy dwarves. The purpose of the journey was to recover the treasure belonging to the dwarves from the fierce dragon, Smaug. Little did Bilbo know they were to encounter many difficulties on their way to the Misty Mountain. They were confronted by goblins, elves, slimy monsters, and terrible forests, but the majic of Gandolf and Bilbo's quick thinking, or maybe just a bit of luck, pulled them through. The adventure ended happily as Smaug was finally slain and the treasure given back to its rightful owners.

Sadie Hawkins

The week of March 8-13 was spent honoring Sadie Hawkins, on each day something was going on such as a tug of war contest, talent show, building pyramids, a soc hop, and a dance contest which was won by Jean Huneke and Keith Johnson. Many different styles of 50's clothing could be seen during this week. The week was ended with the Sadie Hawkins Dance. The week was packed with fun and excitement and was much enjoyed by all students.

Class Motto:

"That What You Have, You Leave For Someone Else, What You Are Will Be Yours Forever."

As we leave GHS, we will not leave the memories of our friends. All the good times we had together, we shall not lose them. Remember the beginning of our high school years, how we looked up to all the Seniors, how we couldn't wait until the day when we could say that we were Seniors. That day has finally come, but, now where has it gone? What do you remember of GHS? Do you remember our friends, the closeness we gathered throughout our Senior year? Remember our Homecoming King and Queen, remember our fun class meetings where nothing was ever accomplished. Do you remember exchanging pictures and waiting for Graduation Day? Look back at all the fond memories of GHS. Keep them in your heart, cherish them forever. As all your friends go their separate ways, remember the good times you had and how you will never forget them as long as you live. You're taking a big step into a new world, a world where you are independent and you can't rely on others to be there all the time. If you remember all your friends of GHS, you will have the greatest gift God and anyone else can give you!

Graduation 1976

On May 30, the long awaited day had finally come for 65 graduation Seniors. When everyone had their caps, gowns, and carnations on, they marched into the gym to the song, "Pomp and Circumstance." Father Peterson gave the blessing and the Senior Choir sang "I Can See Clearly Now." Mr Schultz introduced Kevin Ryan and Sue Schrimpf as the speakers. Eleven Seniors then sang "Times of Your Life." Mr Hedren presented the Class of 1976 as Mr. Benitt awarded out diplomas. Sixty-five Seniors, now alumni of GHS, marched out of school to receive their congratulations from family, friends and teachers.
